RE: ACN COMMUNICATIONS SERVICES, INC. – ACN COMMUNICATIONS SERVICES,  
LLC  
DOCKET NO. T-03835A-15-0364

Dear Ms. Thomas:

We have received your letter dated October 7, 2015, which accompanied a complete re-issuance of your tariffs reflecting a name change to ACN Communications Services, LLC.

We are accepting these tariffs, effective November 25, 2015, based on the assertion that the filing will not increase any rate or charge, cause the withdrawal of service, nor conflict with any schedule or rule.

Staff will keep a set of the existing tariff pages (ACN Communications Services, Inc.) for an indefinite period and will periodically cross reference any future filings against the existing tariffs as a further check to ensure that no substantive changes have been made by the re-issuance. If any substantive changes are discovered by Staff, we will consider the existing tariff to be controlling.

By copy of this letter, the Docket Control Center is instructed to administratively close Docket No. T-03835A-15-0364. If you have any questions or need further information, please do not hesitate to contact me at (602) 542-0745.

Sincerely,

Thomas M. Broderick  
Director  
Utilities Division
